All services are made available without regard to race, color, national origin, religion, age, sex, or handicap, and are subject to Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975, amended.

When are in-home services needed?

A self-assessment checklist

When are in-home services needed?

This is a difficult question to answer and one that should be made by you, your family and other people you wish to consult. Each person and family is different and there are several factors to consider. It is important to remember that there is a need to balance safety and independence. This guide is by no means an all-inclusive tool.
